adiffly@stephenz.com**TASQ TECHNOLOGY JOINS EPSON PARTNER PROGRAM TO DELIVER FULL
ARRAY OF EPSON PAYMENTS SOLUTIONS TO ITS CLIENTS**

Long Beach, CA, July 13, 2010 –[Epson America, Inc.](#), a leading supplier of value-added retail, banking and payments solutions, announced today that [TASQ Technology, Inc.](#), a [First Data](#) company, and one of the largest providers of point-of-sale (POS) equipment and services in North America, joined the company's EnvisionSM partner program.

Epson will provide TASQ with an extensive line of Epson printers and scanners, including the industry-leading Epson [TM-T88V](#), which offers a four-year warranty and the lowest energy consumption in its class, as well as the award-winning [CaptureOne™](#) check scanner. With daily deployments exceeding 9,000 packages, TASQ provides inventory management services which enable clients to purchase hardware in a just-in-time environment.

“Epson is the gold standard in printing and scanning solutions worldwide, and TASQ is one of the largest providers of payments related POS solutions and services in North America,” commented Mike Helm, director of sales and marketing, Epson System Device Group. “We expect it to be a mutually beneficial relationship.”

In addition to reselling Epson's printers and scanners, TASQ will offer its full line of services, such as repair and service fulfillment, which includes advance exchange support, where TASQ overnights replacement hardware directly to the client to reduce down time.

About Epson

Epson is one of the world's leading manufacturers of highly reliable point-of-service technology, including printers, precision printing mechanisms and digital image scanners. Epson offers a wide range of printing and check imaging solutions that feature innovative technology and functionality to increase productivity, improve customer satisfaction and reduce costs. Founded in 1975 and headquartered in

Long Beach, CA, Epson America, Inc. is the U.S. affiliate of Japan-based Seiko Epson Corporation, a global manufacturer and supplier of high-quality technology products that meet customer demands for increased functionality, compactness, systems integration and energy efficiency. The Seiko Epson organization is proud of its ongoing contributions to the global environment and for the second year in a row is part of the Dow Jones Sustainability World Index, an indicator for leading companies in economic, environmental and social criteria.
