**NETDEPOSIT CERTIFIES EPSON SCANNER FOR
NETCAPTURE BUSINESS REMOTE DEPOSIT CAPTURE SOLUTION**

Long Beach, CA, October 17, 2008 – [Epson](#), a leading supplier of value-added banking and payment solutions, today announced that [NetDeposit®](#), a leading provider of distributed check capture solutions, has certified the Epson CaptureOne™ check scanner for its NetCapture™ Business check capture solutions. NetCapture Business allows corporate customers to capture checks at multiple locations through web-based remote deposit capture (RDC), which reduces check processing costs and improves overall operational processes.

“As a market leader, our goal is to deliver outstanding quality and reliability in all of our solutions,” said Danne Buchanan, CEO, NetDeposit. “By offering Epson’s CaptureOne scanner, we further our commitment to provide customers with RDC applications that deliver exceptionally high MICR accuracy and imaging quality.”

Immediately available to NetDeposit’s financial institution customers, CaptureOne incorporates one of the most accurate Magnetic Ink Character Recognition (MICR) algorithms in the industry and delivers the best MICR read rate of any desktop scanner available today for branch capture, back office and remote deposit capture applications.

“Epson is committed to offering seamless solutions for electronic check processing,” said Bud Weist, vice president of sales and marketing, Epson System Device Group. “Paired with NetDeposit’s application, CaptureOne is designed to provide an ultra-reliable solution for financial institutions and corporate customers implementing back office capture or RDC.”

About NetDeposit

NetDeposit solutions enable financial institutions to evolve their operations by replacing manual check handling with distributed capture and electronic image processing. Since its founding in 1999, NetDeposit has led the market in the number of remote capture locations and processed millions of checks for top international banks and regional U.S. financial institutions. NetDeposit, LLC, is a subsidiary of Zions Bancorporation (NASDAQ:ZION). For information call (801) 273-6067, email pressrelations@netdeposit.com or visit www.netdeposit.com.

About Epson

Epson is one of the world's leading manufacturers of highly reliable point-of-service technology, including printers, precision printing mechanisms and digital image scanners. For the third year in a row (2006-2008), retailers have ranked Epson first in POS peripherals in the *RIS News* "Hardware LeaderBoard." Founded in 1975 and headquartered in Long Beach, CA, Epson America, Inc. is the U.S. affiliate of Japan-based Seiko Epson Corporation, a global manufacturer and supplier of high-quality technology products that meet customer demands for increased functionality, compactness, systems integration and energy efficiency.
